Deadline: September 20, 2010
Questions? office@hatchingresults.com

Workshop Goals

- Understand the changing role of the professional school counselor.
- Gain deeper understanding of the *ASCA National Model: A Framework for School Counseling Programs (ASCA, 2005)*.
- Learn how to use data to drive decisions and effect change.
- Understand the many types of data school counselors use including achievement, achievement-related, standards and competencies, process, perception and results data.
- Design standards driven guidance curriculum action plans.
- Design data driven intentional guidance/closing the gap action plans.
- Learn how to design pre-post tests and other results-based accountability tools.
- Learn how to measure, share and utilize the results for program improvement.
- Learn how to maximize effectiveness of school counselor interventions with parents and students at risk
- Learn how to report results to stakeholders using Flashlight PowerPoint and other advocacy tools.
- Learn how to *professionally manage it all!*
