

## 2017 SUMMER COLLEGE BUS TOUR

Sponsored by NJSCA

### "Stayin' in Jersey" July 10-12, 2017

Join us this summer as the tour travels New Jersey and visits 8 state colleges.

The coach bus departs Monday morning from Clark, NJ and heads for **Montclair University, Wm. Paterson University, and Ramapo College.**

On Tuesday we head for **NJIT, Kean University,** and finish at the **Harborside Campus of NJCU** for dinner overlooking the Hudson River and NY skyline.

On Wednesday we head south to visit **Rutgers Camden and Rowan University,** then north to Clark.

Our overnight accommodations will be at the Grand Summit Hotel, Summit, NJ where a full breakfast will be served in the morning and the Hat Tavern is open for socializing in the evening. Additional meals will be provided by the colleges.

If you are a high school counselor or are anticipating moving into high school guidance, this trip is for you! All of the colleges and universities have been updating their campuses, and you will be pleasantly surprised, if not amazed! Exciting plans are in the works! This is a great way to make firsthand recommendations to your students.

So, save the date. The tour begins on **July 10, 2017.** The cost of the tour is \$135. Lodging (double occupancy), coach transportation, and most meals are included. Changes will be made if necessary. Continue to check [NJSCA.org](http://NJSCA.org) for further updates.
